

MS Hobbies — Minox Specialist Since 1970, London SW15

Minox 8×11

The classic subminiature system. We supply cameras, film and cassettes, and provide practical guidance for reliable operation. Our workshop services all major 8×11 models including the LX-series.

Minox 35

Compact 35 mm cameras with excellent optics. We provide servicing, parts support and usage advice for the full Minox 35 range.

Film & Processing

Fresh Minox 8×11 film, cassette handling guidance and processing options. We also support Disc and APS formats for archival and specialist use.

APS and Disc

APS film, and processing, disc film and processing.

Servicing & Repairs

Mechanical servicing for Minox 8×11 and Minox 35 cameras, including shutter, transport and clutch repairs. All work is carried out to manufacturer standards with detailed inspection and testing.

About MS Hobbies

Established in 1970, MS Hobbies has supplied Minox equipment, film and technical support to photographers, collectors, television, films, and museums worldwide. Our focus is accuracy, reliability and long-term preservation of the Minox system.
